

House Charges

All Members are required to leave a credit card on file for any house charges incurred at RAC (e.g., tennis balls, restringing, water). For members choosing to pay their membership fees in installments, this card will be automatically debited on the due dates unless payment is received prior to that date.

24 Hour Cancellation Policy

We require 24 hour notice of cancellation for all private lessons, personal training sessions and tennis clinics. If you cancel your session without 24 hour notice, you are responsible for payment in full. If our facilities are open, all adult clinics, junior clinics and standing lessons will go ahead as planned regardless of personal illness or school cancellation.

Injury or Illness

Because RAC affords members the opportunity to play a lot of tennis over the year or season, our policy is not to freeze or credit memberships due to vacation, injury or illness. Optional "Injury insurance" may be purchased to freeze a membership due to documented medical issues that render a member incapable of playing for four consecutive weeks or longer, for \$100 per member per year. Members utilizing this option will receive a credit against their subsequent year's renewal fee for the injury time lost. "Insurance" must be purchased prior to the start of each membership year.
